Ambhira Ventures Pvt. Ltd

Ambhira Ventures Pvt. Ltd. is a premier global supplier of high quality industrial spare parts, consumables, and safety equipment. We serve as a critical link between world leading manufacturers and the core industries that drive economic growth.

Automation & Control Components

- PLCs
- HMIs
- Sensors
- Drives
- Contactors
- Relays
- Control Panel
- SCADA Systems
- VFDs

At Ambhira Ventures, these components are sourced from leading global manufacturers to guarantee genuine quality, competitive pricing, and timely delivery. Backed by expert technical support, we empower industries in manufacturing, power generation, oil & gas, and cement sectors to achieve uninterrupted and safe operations.

For reliable automation solutions, Ambhira Ventures is your trusted partner for genuine components and dedicated support worldwide.
